PQHS SPECIAL SEMINAR

**Thursday, February 27, 2020
12:00 – 1:00 PM**

Albert Sherman Building, AS9-2072

“The Health of Sexual and Gender Minorities”

**Presented by: Carl G. Streed, Jr., MD, MPH, FACP
Assistant Professor
Boston University School of Medicine**

Bio blurb: Carl Streed, Jr. is an Assistant Professor in the Boston University School of Medicine. After attending medical school and residency in Internal Medicine at Johns Hopkins he completed fellowship in General Internal Medicine at Brigham & Women's. Nationally, he has chaired the American Medical Association Advisory Committee on LGBTQ Issues and served on the board of GLMA: Health Professionals Advancing LGBTQ Equality. Carl's efforts to improve the health and well-being of sexual and gender minority individuals and communities have earned him several awards, notably from the University of Chicago Alumni Association, the American Medical Association Foundation, the World Professional Association for Transgender Health, as well as recognition from the Obama White House. As the Research Lead for the Center for Transgender Medicine and Surgery at Boston Medical Center he collaborates with researchers, physicians, and staff to assess and address the health and well-being of transgender and gender diverse individuals.

Lunch will be provided: Please RSVP to Kelley.Baron@umassmed.edu
