

Organization	North American Family Institute (NAFI)
Department	The Multisystemic Therapy for Transition-Age Youths (MST-TAY)
Job Title	Clinical Therapist Bilingual Clinical Therapist

Looking to join a team and make a difference in the lives of young adults and their families? NAFI CT is seeking dynamic professionals to join the MST-TAY program. **We have several clinical therapist positions available on both our New Haven Team (Team 1) and Hartford Team (Team 2). Catchment areas serviced by these teams include:** Team 1- Greater New Haven, Bridgeport, Meriden, Middletown, & Waterbury; Team 2- Greater Hartford, Enfield, New Britain, Norwich, Manchester, & Bristol. **Both the New Haven and Hartford Team also have a bilingual therapist position available.**

About NAFI and MST-TAY

MST-TAY is an evidenced based model that provides intensive community based treatment for youths, between the ages of 17 to 21 years old, with both a recent history of criminal involvement and mental health challenges. The clinical focus is on safety preservation, crisis management, establishing natural supports and increasing life skills to support the youth's transition into adulthood. The program is currently part of a clinical trial which makes it an exciting time to join the team. There is currently no evidence based treatment for reducing recidivism in 17-21 year olds. **No research experience is required as the position is a clinical position not research based. Note there are both a research bonus and moving expenses reimbursement available please apply to inquire further about these benefits.**

Job Description:

Therapist Responsibilities:

- Provide intensive in-home therapy utilizing the Multi-Systemic Therapy for Transition Age Youth (Training in MST-TAY model provided upon hire)
- Service caseload of 4 clients providing an average of 3 sessions a week
- Conduct Mental Health and Substance Use Assessments
- Facilitate treatment planning

- Travel and participate in on-call rotation

Qualifications

- Master's degree in counseling, marriage and family therapy, psychology and social work (note social work applicants must have or LMSW) or related field required.
- Will consider bachelor's level Spanish speaking applicants with commensurate experience.

One to two years clinical experience in any combination of the following:

- Mental Health Treatment
- Substance Use Treatment
- In-Home/Community Based Therapy
- Crisis Management
- Cognitive Behavioral Therapy
- Motivational Interviewing
- Contingency Management
- Working with youth within the Criminal Justice System
- Working with youth and families between the ages of 17-21 years old

NAFI CT offers a supportive and flexible work environment, extensive training and professional development opportunities. Therapists are also provided the use of company vehicles, a AAA membership, internal licensure supervision hours, annual \$2,500 tuition reimbursement (this can be utilized towards more than just courses to include: outside supervision hours, study materials for your exam, exam fees, licensure application fees, CEC's and professional memberships) in addition to the general agency benefits.
